Ladies and Gentlemen:

Armada Hoffler Properties, Inc., a Maryland corporation (the “**Company**”), and Armada Hoffler, L.P., a Virginia limited partnership (the “**Operating Partnership**” and, together with the Company, the “**Transaction Entities**”), propose that the Company will issue and sell to Raymond James & Associates, Inc. (“**Raymond James**”), Robert W. Baird & Co. Incorporated (“**Baird**”), Stifel, Nicolaus & Company, Incorporated (“**Stifel Nicolaus**” and, together with Raymond James and Baird, the “**Representatives**”) and the several Underwriters named in Schedule I hereto (the “**Underwriters**”) 3,000,000 shares of the common stock, \$0.01 par value per share, of the Company (the “**Firm Shares**”) pursuant to this Underwriting Agreement (this “**Agreement**”).

The Transaction Entities also propose that the Company will issue and sell to the several Underwriters up to an additional 450,000 shares of common stock, \$0.01 par value per share, of the Company (the “**Additional Shares**”), if and to the extent that the Representatives shall have determined to exercise, on behalf of the Underwriters, the right to purchase such shares of common stock granted to the Underwriters in Section 2 hereof. The Firm Shares and the Additional Shares are hereinafter collectively referred to as the “**Shares**.” The shares of common stock, \$0.01 par value per share, of the Company to be outstanding after giving effect to the sales contemplated hereby are hereinafter referred to as the “**Common Stock**.”

The Company has prepared and filed, in accordance with the Securities Act of 1933, as amended (the “**Securities Act**”), and the rules and regulations thereunder, with the Securities and Exchange Commission (the “**Commission**”) a registration statement on Form S-3 (Registration No. 333-196473) (the “**Base Registration Statement**”), including the related base prospectus, relating to the public offering and sale of certain securities, including the Shares, and has filed

such amendments thereto, if any, as may have been required to the date hereof. The Base Registration Statement initially became effective on June 11, 2014. Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus supplement in accordance with the provisions of Rule 430B under the Securities Act (“**Rule 430B**”) and Rule 424(b) under the Securities Act (“**Rule 424(b)**”). Any information included in such prospectus supplement that was omitted from the Base Registration Statement at the time it became effective but that is deemed to be part of and included therein pursuant to Rule 430B is referred to as “**Rule 430B Information**.” The Base Registration Statement, as of any time, including the exhibits and any schedules thereto at such time, the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act at such time and the documents otherwise deemed to be a part thereof or included therein by the rules and regulations under the Securities Act is herein called the “**Registration Statement**”; *provided, however*, that “Registration Statement” without reference to a time means the Registration Statement as of the time of the first contract of sale for the Shares, which time shall be considered the “new effective date” (within the meaning of Rule 430B(f)(2) under the Securities Act (“**Rule 430B(f)(2)**”)) of the Registration Statement with respect to the Underwriters and the Shares; and *provided, further*, that if the Company files a registration statement with the Commission pursuant to Rule 462(b) under the Securities Act relating to the Shares (a “**Rule 462 Registration Statement**”), then, after such filing, any reference herein to the term “Registration Statement” shall be deemed to include such Rule 462 Registration Statement. The base prospectus and the prospectus supplement, in the form first furnished to the Underwriters for use in connection with the offering of the Shares, including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act at the time of the execution of this Agreement, are hereinafter collectively called the “**Prospectus**.” The term “**Preliminary Prospectus**,” as of any time, means the base prospectus and prospectus supplement used in connection with the offering of the Shares that omitted Rule 430B information, but including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act at the time of first use of such prospectus. The term “**Preliminary Prospectus**” without reference to a time means the base prospectus and prospectus supplement used in connection with the offering of the Shares that omitted Rule 430B information, but including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act at the time of first use of such prospectus, immediately prior to the Time of Sale (as defined below).

For purposes of this Agreement, “**free writing prospectus**” has the meaning set forth in Rule 405 under the Securities Act; “**Time of Sale Prospectus**” means the Preliminary Prospectus, together with the free writing prospectuses, if any, each identified in Schedule II hereto (each, a “**Permitted Free Writing Prospectus**”), and other information conveyed to purchasers of the Shares at or prior to the Time of Sale as set forth in Schedule II hereto; “**Time of Sale**” means 8:05 a.m. (Eastern Time) on December 4, 2015; “**road show**” has the meaning set forth in Rule 433(h)(4) under the Securities Act, and “**bona fide electronic road show**” has the meaning set forth in Rule 433(h)(5) under the Securities Act. As used herein, “**Section 5(d) Communication**” means any oral or written communication that is made in reliance on Section 5(d) of the Securities Act by the Company or any person authorized to act on behalf of the Company to one or more potential investors that are qualified institutional buyers (“**QIBs**”) and/or institutions that are accredited investors (“**IAIs**”), as such terms are respectively defined in Rule 144A and Rule 501(a) under the Securities Act, to determine whether such investors might have an interest in the offering of the Shares; “**Written Section 5(d) Communication**”

means any written communication (within the meaning of Rule 405 under the Securities Act) by the Company or any person authorized to act on behalf of the Company to one or more potential investors that are qualified institutional buyers (“**QIBs**”) and/or institutions that are accredited investors (“**IAIs**”), as such terms are respectively defined in Rule 144A and Rule 501(a) under the Securities Act, to determine whether such investors might have an interest in the offering of the Shares; and “**Permitted Section 5(d) Communication**” means any Section 5(d) Communication specifically authorized and approved by the Company to be made by the Representatives.

The Company has prepared and filed, in accordance with Section 12 of the Exchange Act, a registration statement on Form 8-A (File No. 001-35908) to register the Common Stock under Section 12(b) or (g) of the Exchange Act, as applicable.

For purposes of this Agreement, all references to the Registration Statement, any Preliminary Prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system, or any successor system (“**EDGAR**”).

For purposes of this Agreement, the terms “**Subsidiary**” or “**Subsidiaries**” shall mean each “subsidiary,” as such term is defined in Rule 405 of the Securities Act, of the Company.

1. *Representations and Warranties of the Transaction Entities.* Each of the Transaction Entities, jointly and severally, represents and warrants to and agrees with each of the Underwriters that:

(a) The Company meets the requirements for use of Form S-3 under the Securities Act. The date of this Agreement is not more than three years subsequent to the initial effective date of the Base Registration Statement.

At the respective times the Base Registration Statement and any amendment, at each deemed effective date with respect to the Underwriters and the Shares pursuant to Rule 430B(f)(2), at the Closing Date, the Registration Statement complied, complies and will comply in all material respects with the requirements of the Securities Act and the rules and regulations thereunder and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(b) The Preliminary Prospectus, when filed as part of the Registration Statement or pursuant to Rule 424 under the Securities Act, when so filed, complied in all material respects with the Securities Act and the rules and regulations thereunder (including, without limitation, Rules 424 and 430B under the Securities Act). The Preliminary Prospectus, the Prospectus and any amendment or supplement thereto (including any prospectus wrapper) prepared in

connection with the offering and sale of the Shares, at their respective issue dates, at the Closing Date and at each Option Closing Date, if any, complied and will comply, as applicable, in all material respects with any applicable laws or regulations of foreign jurisdictions in which such Preliminary Prospectus, the Prospectus or such amendment or supplement, as the case may be, are distributed in connection with such offering and sale.

(c) (i) The Registration Statement and any amendment thereto did not contain and, as amended or supplemented, if applicable, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading; (ii) the Registration Statement complies and, as amended or supplemented, if applicable, will comply in all material respects with the Securities Act and the rules and regulations thereunder; (iii) at no time during the period that begins on the date of the Preliminary Prospectus and the date on which the Preliminary Prospectus was filed with the Commission and ends immediately prior to the execution of this Agreement did the Preliminary Prospectus contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; (iv) the Preliminary Prospectus furnished to the Underwriters for delivery to prospective investors complied in all material respects with the Securities Act (including without limitation the requirements of Section 10 of the Securities Act); (v) the Time of Sale Prospectus does not, and at the Time of Sale, at the Closing Date and, if applicable, each Option Closing Date, the Time of Sale Prospectus, as then amended or supplemented, if applicable, will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; (vi) each Permitted Free Writing Prospectus, if any, does not conflict with the information contained in the Registration Statement, the Time of Sale Prospectus or the Prospectus, including any document incorporated, or deemed to be incorporated, therein by reference, and was accompanied or preceded by the then-most recent Preliminary Prospectus, to the extent required by Rule 433 under the Securities Act; (vii) each road show, when considered together with the Time of Sale Prospectus, does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; (viii) the Prospectus (including any Prospectus wrapper), as of the date it is filed with the Commission pursuant to Rule 424(b), at the Closing Date and at each Option Closing Date, if any, will comply in all material respects with the Securities Act (including without limitation the requirements of Section 10(a) of the Securities Act) and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the representations and warranties set forth in this Section 1(c) do not apply to statements or omissions in the Registration Statement, the Time of Sale Prospectus, any Preliminary Prospectus, any Permitted Free Writing Prospectus, any road show or the Prospectus (including any Prospectus wrapper) or any amendments or supplements thereto based upon information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being agreed that the only information furnished by the Underwriters to the Company expressly for use therein are the name of each Underwriter and the number of Shares each Underwriter has agreed to purchase as set forth in the table following the first paragraph, the first paragraph under the heading “Commissions and Discounts” and the second, third and fourth paragraphs under the heading “Price Stabilization, Short Positions and Penalty Bids” of the “Underwriting” section of the Time of Sale Prospectus and the Prospectus (collectively, the “**Underwriter Information**”).

The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Preliminary Prospectus or the Prospectus, when they became effective or at the time they were or hereafter are filed with the Commission, complied, comply and will comply in all material respects with the requirements of the Exchange Act and the rules and regulations of the Commission thereunder and, when read together with the other information in the Registration Statement, the Preliminary Prospectus or the Prospectus, (a) at the time the Base Registration Statement originally became effective, (b) at the earlier of the time the Prospectus was first used and the Time of Sale and (c) at the Closing Date and at each Option Closing Date, did not and will not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) Prior to the execution of this Agreement, the Company has not, directly or indirectly, offered or sold any of the Shares by means of any “prospectus” (within the meaning of the Securities Act) or used any “prospectus” (within the meaning of the Securities Act) in connection with the offering or sale of the Shares, in each case other than the Preliminary Prospectus and the Permitted Free Writing Prospectuses; the Company has not, directly or indirectly, prepared, used or referred to any free writing prospectuses, without the prior written consent of the Representatives, other than the Permitted Free Writing Prospectuses and road shows furnished or presented to the Representatives before first use. Each Permitted Free Writing Prospectus, if any, has been prepared, used or referred to in compliance with Rules 164 and 433 under the Securities Act; assuming that such Permitted Free Writing Prospectus is so sent or given after the Registration Statement was filed with the Commission (and after such Permitted Free Writing Prospectus was, if required pursuant to Rule 433(d) under the Securities Act, filed with the Commission), the sending or giving, by any Underwriter, of any Permitted Free Writing Prospectus will satisfy the provisions of Rule 164 and Rule 433 (without reliance on subsections (b), (c) and (d) of Rule 164); the conditions set forth in Rule 433(b)(2) under the Securities Act are satisfied, and the Registration Statement relating to the offering of the Shares contemplated hereby includes a prospectus that, other than by reason of Rule 433 or Rule 431 under the Securities Act, satisfies the requirements of Section 10 of the Securities Act, including a price range where required by rule; neither the Company nor the Underwriters are disqualified, by reason of subsection (f) or (g) of Rule 164 under the Securities Act, from using, in connection with the offering and sale of the Shares, free writing prospectuses pursuant to Rules 164 and 433 under the Securities Act; each Permitted Free Writing Prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act or that was prepared by or behalf of or used or referred to by the Company complies or will comply in all material respects with the requirements of the Securities Act; in the case of any bona fide electronic road shows by the Company, the Company has complied with the requirements of Rule 433(d)(8)(ii) under the Securities Act; and, to the knowledge of the Transaction Entities, no free writing prospectus prepared by or on behalf of or used by any Underwriter contains any “issuer information” within the meaning of Rule 433(h)(2) under the Securities Act.

(e) The Company was not an “ineligible issuer” (as defined in Rule 405 under the Securities Act) as of the eligibility determination date for purposes of Rules 164 and 433 under the Securities Act with respect to the offering of the Shares contemplated by the Registration Statement.

(f) At the Closing Date, the Shares will have been authorized for listing on the New York Stock Exchange (“NYSE”), subject only to official notice of issuance. The Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act or the listing of the Common Stock (including the Shares) on the NYSE, nor has the Company received any notification that the Commission or the NYSE is contemplating terminating such registration or listing. To the knowledge of the Transaction Entities, there are no affiliations or associations between (i) any member of the Financial Industry Regulatory Authority (“FINRA”) and (ii) the Company or any of the Company’s officers, directors or 5% or greater security holders or any beneficial owner of the Company’s unregistered equity securities that were acquired at any time on or after the 180th day immediately preceding the date the Registration Statement was initially filed with the Commission, except as has been disclosed in the Registration Statement (excluding the exhibits thereto), the Time of Sale Prospectus and the Prospectus.

(g) The Company has been duly incorporated, is validly existing under the laws of the State of Maryland and is in good standing with the State Department of Assessments and Taxation of Maryland, has the corporate power and authority to own and lease, as the case may be, its properties and to operate its properties and conduct its business as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not (i) have a material adverse effect on the assets, business, condition (financial or otherwise), earnings, properties, management, results of operations or prospects of the Transaction Entities and the Subsidiaries, taken as a whole, or (ii) prevent or materially interfere with consummation of the transactions contemplated hereby (the occurrence of any such effect, prevention, interference or result described in the foregoing clauses (i) or (ii) being herein referred to as a “**material adverse effect**”).

(h) The Operating Partnership has been duly organized, is validly existing as a limited partnership in good standing under the laws of the Commonwealth of Virginia, has the full limited partnership power and authority to own or lease, as the case may be, its properties and to operate its properties and conduct its business as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not, individually or in the aggregate, have a material adverse effect. The Company is the sole general partner of the Operating Partnership. At the Closing Date, the Amended and Restated Agreement of Limited Partnership of the Operating Partnership (as amended, the “**Operating Partnership Agreement**”), in the form filed or incorporated by reference as an exhibit to the Registration Statement, will be in full force and effect, and the aggregate percentage interests of the Company and the limited partners in the Operating Partnership will be as set forth in the Registration Statement and the Prospectus, assuming no exercise of the Underwriter’s option to purchase the Additional Shares. Additionally, to the extent any portion of such option to purchase additional shares is exercised

subsequent to the Closing Date, the Company will contribute the net proceeds from the sale of the Additional Shares to the Operating Partnership in exchange for a number of common units of limited partnership interest in the Operating Partnership (the “**OP Units**”) equal to the number of Additional Shares issued. The Company will own all of its outstanding OP Units free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity, except as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(i) Each Subsidiary has been duly organized, is validly existing as a corporation, limited partnership or limited liability company in good standing under the laws of the jurisdiction of its organization, has the power and authority to own or lease, as the case may be, its property and to operate its property and conduct its business as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect; except as otherwise disclosed in the Time of Sale Prospectus and the Prospectus, all of the issued shares of capital stock, units of limited partnership interest and units of membership interest of each Subsidiary have been duly and validly authorized and issued, are fully paid and non-assessable, are owned or will be owned directly or indirectly by the Operating Partnership, free and clear of all security interests, liens, mortgages, encumbrances, pledges, equities, claims, restrictions or other defects of any kind (collectively, “**Liens**”), have been issued in compliance with applicable securities laws and were not issued in violation of any preemptive or similar rights. On the Closing Date, the Operating Partnership will be the only subsidiary of the Company that meets the definition of a “significant subsidiary” (as such term is defined in Rule 1-02 of Regulation S-X). The only subsidiaries of the Company are the Subsidiaries.

(j) The Company has the corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder, and all corporate action required to be taken for the due and proper authorization, execution and delivery by it of this Agreement and consummation by it of the transactions contemplated hereby have been duly and validly taken.

(k) The Operating Partnership has the limited partnership power and authority to execute and deliver this Agreement and to perform its obligations hereunder, and all limited partnership action required to be taken for the due and proper authorization, execution and delivery by it of this Agreement and consummation by it of the transactions contemplated hereby have been duly and validly taken.

(l) This Agreement has been duly authorized, executed and delivered by each of the Transaction Entities.

(m) The statements in the Registration Statement, the Time of Sale Prospectus and the Prospectus under the captions “Certain Provisions of Maryland Law and of Our Charter and Bylaws,” “Description of the Partnership Agreement of Armada Hoffler, L.P.,” “Description of Capital Stock,” and “Material U.S. Federal Income Tax Considerations,” insofar as such statements summarize legal or tax matters, agreements, documents or legal or governmental proceedings discussed therein, are accurate, complete and fair summaries of such legal and tax matters, agreements, documents or legal or governmental proceedings in all material respects.

(n) The authorized, issued and outstanding capitalization of the Company as of September 30, 2015 is as set forth in the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2015, which is incorporated by reference into the Registration Statement, the Time of Sale Prospectus and the Prospectus (except for subsequent issuances, if any, pursuant to this Agreement, pursuant to reservations, agreements or employee benefits or equity incentive plans referred to in the Registration Statement, the Time of Sale Prospectus and the Prospectus or pursuant to the exercise of convertible or exchangeable securities or options referred to in the Registration Statement, the Time of Sale Prospectus and the Prospectus).

(o) Except as disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus, (i) no shares of Common Stock are reserved for any purpose, (ii) there are no outstanding securities (including OP Units) convertible into or exchangeable for any shares of Common Stock, (iii) there are no outstanding options, rights (preemptive or otherwise) or warrants to purchase or subscribe for shares of Common Stock or any other securities of the Company, and (iv) the Company has not granted to any person or entity a stock option or other equity-based award of or to purchase shares of Common Stock or any other securities of the Company pursuant to an equity-based compensation plan or otherwise.

(p) Except as disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus, (i) no OP Units are reserved for any purpose, (ii) there are no outstanding securities convertible into or exchangeable for any OP Units, and (iii) there are no outstanding options, rights (preemptive or otherwise) or warrants to purchase or subscribe for OP Units or any other securities of the Operating Partnership.

(q) The Shares to be sold by the Company have been duly authorized and, when issued and delivered against payment therefore in accordance with the terms of this Agreement, will be validly issued, fully paid and non-assessable, and the issuance of such Shares will not be subject to or in violation of any preemptive or similar rights of any securityholder of the Company. Upon payment of the purchase price and issuance and delivery of the Shares to be issued and sold by the Company in accordance herewith, the Underwriters will receive good, valid and marketable title to such Shares, free and clear of all Liens. The certificates, if any, to be used to evidence the Shares will be in substantially the form filed as an exhibit to the Registration Statement and will, on the Closing Date and each Option Closing Date, be in proper form and will comply in all material respects with all applicable legal requirements, the requirements of the Articles of Amendment and Restatement (the "**Charter**") and Bylaws of the Company and the requirements of the NYSE. The authorized capital stock of the Company, including the Common Stock, conforms to the description thereof, and to all statements relating thereto, contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus and such statements conform to the rights set forth in the instruments defining the same. No holder of Shares will be subject to personal liability by reason of being such a holder.

(r) All OP Units issued to date by the Operating Partnership have been duly authorized by the Operating Partnership and its general partner, and are validly issued and fully paid, and the issuance of such OP Units was not subject to or in violation of any preemptive or similar rights of any partner of the Operating Partnership. The issuance and sale by the Operating Partnership of such OP Units were exempt from the registration requirements of the Securities Act and applicable state securities, real estate syndication and blue sky laws. The terms of the OP

Units conform in all material respects to all statements relating thereto contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus and such statements conform in all material respects to the rights set forth in the instruments defining the same.

(s) Neither the execution and delivery by each of the Transaction Entities of, nor the performance by each of the Transaction Entities of its respective obligations under, this Agreement will conflict with, contravene, result in a breach or violation of, or imposition of, any Lien upon any property or other assets of the Transaction Entities or any Subsidiary pursuant to, or constitute a default (or give rise to any right of termination, acceleration, cancellation, repurchase or redemption) or Repayment Event (as hereinafter defined) under: (i) any statute, law, rule, regulation, judgment, order or decree of any governmental body, regulatory or administrative agency or court having jurisdiction over the Transaction Entities or any of the Subsidiaries or any of their respective properties or other assets; (ii) the Charter or Bylaws of the Company, the Certificate of Limited Partnership and the Operating Partnership Agreement or similar organizational documents of any Subsidiary; or (iii) any contract, agreement, obligation, covenant or instrument or any term condition or provision thereof to which the Transaction Entities or any Subsidiary or any of their respective properties or other assets is subject or bound, except in the case of clauses (i) and (iii), for such conflicts, breaches, violations, lien impositions or defaults that would not, individually or in the aggregate, have a material adverse effect. As used herein, "**Repayment Event**" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Transaction Entities or any of the Subsidiaries.

(kk) The Transaction Entities and the Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are adequate and customary in the businesses in which they are engaged; neither of the Transaction Entities nor any of the Subsidiaries have been refused any insurance coverage sought or applied for; and neither of the Transaction Entities nor any of the Subsidiaries have any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a material adverse effect.

(ll) Except as otherwise would not have a material adverse effect, the buildings, structures and equipment owned by the Transaction Entities and the Subsidiaries are in good operating condition and repair and have been reasonably maintained consistent with standards generally followed in the industry (giving due account to the age and length of use, ordinary wear and tear excepted), are adequate and suitable for their present uses and, in the case of buildings and other structures, are structurally sound; to the knowledge of the Transaction Entities, water, stormwater, sanitary sewer, electricity and telephone service are all available at the property lines of each of their properties over duly dedicated streets or perpetual easements of record benefiting the applicable property. (nn) Except as disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus or as would not have a material adverse effect, neither the Operating Partnership nor the Subsidiaries is prohibited, directly or indirectly, under any agreement or other instrument to which they are a party or are subject, from paying any distributions to the Company, from making any other distribution on the OP Units, from repaying to the Company any loans or advances made to the Operating Partnership or any Subsidiary by the Company or from transferring any of the properties or other assets of the Operating Partnership or the Subsidiaries to the Company, the Operating Partnership or any other Subsidiary of the Company, except as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(oo) There are no transfer taxes or other similar fees or charges under federal law or the laws of any state, or any political subdivision thereof, required to be paid in connection with the execution and delivery of this Agreement or the issuance or sale by the Company of the Shares that would have a material adverse effect.

(pp) Each of the Transaction Entities and the Subsidiaries has timely filed all federal, state and local tax returns that are required to be filed or has timely requested extensions thereof ("**Returns**"), except for any failures to file that, individually or collectively, would not result in a material adverse effect, and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such assessments, fines or penalties that are currently being contested in good faith or that, individually or collectively, would not result in a material adverse effect. Company in respect of any income and corporation tax liability for any years not finally determined are adequate to meet any assessments or re-assessments for additional income tax for any years not finally determined, except to the extent of any inadequacy that would not, singly or in the aggregate, result in a material adverse effect.

(qq) Throughout the period from its formation through the date hereof, the Operating Partnership and each Subsidiary that has been formed as a partnership or a limited liability company for state law purposes has been properly classified either as a partnership or as a disregarded entity for federal income tax purposes and has not been subject to taxation as an association or a “publicly-traded partnership” (within the meaning of Section 7704(b) of the Code) taxable as a corporation for federal income tax purposes. The Company does not know of any event that would cause or is likely to cause the Operating Partnership or any Subsidiary formed as a partnership or limited liability company for state law purposes to cease being classified as either a disregarded entity or a partnership for federal income tax purposes, and the Company does not know of any event that would cause or is likely to cause the Operating Partnership or any Subsidiary to be treated as a corporation, an association taxable as a corporation or a publicly traded partnership for federal income tax purposes.

(rr) The Company has been organized and operated in a manner so as to qualify as a real estate investment trust (a “REIT”) under Sections 856 through 860 of the Code for its taxable years ended December 31, 2013 and December 31, 2014. (ss) Each of the Transaction Entities and the Subsidiaries is in compliance, in all material respects, with all presently applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder (“ERISA”); no “reportable event” (as defined in ERISA) has occurred with respect to any “pension plan” (as defined in ERISA) for which the Company or the Operating Partnership would have any liability. Neither the Transaction Entities nor any of the Subsidiaries have incurred or expect to incur liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any “pension plan” or (ii) Sections 412 or 4971 of the Code, including the regulations and published interpretations thereunder. Each “pension plan” for which the Transaction Entities or any of the Subsidiaries would have any liability and that is intended to be qualified under Section 401(a) of the Code is so qualified in all material respects, and nothing has occurred, whether by action or by failure to act, which would cause the loss of such qualification, except where the failure to be so qualified would not have a material adverse effect.

(tt) Except as disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus, there are no contracts, agreements or understandings that would give rise to a valid claim against either of the Transaction Entities or any Underwriter for a brokerage commission, finder’s fee or other like payment in connection with the transactions contemplated by this Agreement.

(uu) The Company has taken all necessary actions to ensure that, upon and at all times after the effectiveness of the Registration Statement, so long as the Company has a class of securities registered under Section 12 of the Exchange Act, the Company and any of the officers and directors of the Company, in their capacities as such, will be in compliance in all material respects with the provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder or implementing the provisions thereof (the “**Sarbanes-Oxley Act**”) that are then in effect and which the Company is required to comply with.

(vv) The Company maintains effective internal control over financial reporting (as defined under Rules 13a-15 and 15d-15 of the rules and regulations of the Commission under the Exchange Act) sufficient to provide reasonable assurances that (A) transactions are executed in accordance with management’s general or specific authorization; (B) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (C) access to assets is permitted only in accordance with management’s general or specific authorization; and (D) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate actions is taken with respect to any differences. Except as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus, since the Company’s incorporation, there has been (i) no significant deficiency or material weakness in the design or operation of the Company’s internal control over financial reporting (whether or not remediated) which is reasonably likely to adversely affect the Company’s ability to record, process, summarize and report financial information and (ii) since the date of the latest audited financial statements included in the Registration Statement, the Time of Sale Prospectus and the Prospectus, there has been no change in the Company’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting.

(ww) The Company has established and maintains a system of “disclosure controls and procedures” (as such term is defined in Rules 13a-15 and 15d-15 of the rules and regulations of the Commission under the Exchange Act); such disclosure controls and procedures are effective to perform the functions for which they were established and are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission’s rules and forms, and is accumulated and communicated to the Company’s management, including its principal executive officer and principal financial officer, to allow timely decisions regarding disclosure.

(xx) Except as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus, neither of the Transaction Entities nor the Subsidiaries has sent or received any communication regarding termination of, or intent not to renew, any of the contracts or agreements filed as an exhibit to the Registration Statement, and no such termination or non-renewal has been threatened by either of the Transaction Entities or the Subsidiaries or, to the knowledge of the Transaction Entities, any other party to any such contract or agreement.

(yy) There are no business relationships or related-party transactions involving the Transaction Entities, any of the Subsidiaries or any other person required to be described in the Registration Statement, the Time of Sale Prospectus and the Prospectus which have not been described as required. Except as disclosed in the Registration Statement, the Time of Sale

Prospectus and the Prospectus, the Company and the Operating Partnership (A) do not have any material lending or other relationship with any Underwriter or any bank, lending or other affiliate of any Underwriter and (B) do not intend to use any of the proceeds from the sale of the Shares to repay any outstanding debt owed to any Underwriter or any affiliate of any Underwriter.

(zz) The Company is not and, to the knowledge of the Transaction Entities, no director, officer, agent, employee or affiliate of either of the Transaction Entities or any of the Subsidiaries, is aware of or has taken any action, directly or indirectly, that would result in a violation by such persons of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (the “**FCPA**”), including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA, and the Transaction Entities and the Subsidiaries and, to the knowledge of the Transaction Entities, their affiliates have conducted their businesses in compliance with the FCPA. The Transaction Entities and the Subsidiaries have instituted and maintain policies and procedures designed to ensure continued compliance with the FCPA.

(aaa) The operations of the Transaction Entities and the Subsidiaries are, and have been conducted at all times, in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all applicable jurisdictions, the rules and regulations thereunder and any related or similar applicable rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “**Money Laundering Laws**”) and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Transaction Entities or any of the Subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Transaction Entities, threatened. None of the Transaction Entities, the Subsidiaries or, to the knowledge of the Transaction Entities, any director, officer, agent, employee, affiliate or person acting on behalf of the Transaction Entities or the Subsidiaries is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“**OFAC**”); and the Company will not directly or indirectly use the proceeds of the offering and sale of the Shares, or lend, contribute or otherwise make available such proceeds to the Operating Partnership, any Subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC.

(bbb) The Transaction Entities, the Subsidiaries and their respective directors, officers, affiliates or controlling persons have not taken and will not take, directly or indirectly, any action that is designed, or would be expected, to cause or result in, or that constitutes, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any Shares or to result in a violation of Regulation M under the Exchange Act.

(ccc) From the time of confidentially submitting its initial draft registration statement to the Commission through the date hereof, the Company has been and is an “emerging growth company,” as defined in Section 2(a) of the Securities Act (an “**Emerging Growth Company**”).

(ddd) The Company (a) has not engaged in any Testing-the-Waters Communications and (b) has not authorized anyone to engage in Testing-the-Waters Communications. "Testing-the-Waters Communications" means any oral or written communication with potential investors undertaken in reliance on Section 5(d) of the Securities Act.

(eee) The Transaction Entities intend to apply the net proceeds from the sale of the Shares substantially in accordance with the description set forth in the Registration Statement, the Time of Sale Prospectus and the Prospectus under the heading "Use of Proceeds." The Company has no present plan or intention to materially alter its investment policies as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus.

Any certificate signed by any officer or other authorized signatory of either of the Transaction Entities and delivered to the Representatives or to counsel for the Underwriters shall be deemed a representation and warranty by the applicable Transaction Entity to the Underwriters as to the matters covered thereby.

2. *Agreements to Sell and Purchase.* The Company hereby agrees to issue and sell 3,000,000 Shares to the several Underwriters at a price of \$10.192 per share (the "**Purchase Price**"), and each Underwriter, upon the basis of the representations and warranties herein contained, but subject to the conditions herein set forth, agrees, severally and not jointly, to purchase from the Company at the Purchase Price the number of Firm Shares (subject to such adjustments to eliminate fractional shares as the Representatives may determine) set forth opposite the name of such Underwriter set forth in Schedule I hereto.

Moreover, the Company hereby agrees to issue and sell up to 450,000 Additional Shares to the Underwriters, and the Underwriters, upon the basis of the representations and warranties contained herein, but subject to the terms and conditions herein set forth, shall have the right (but not the obligation) to purchase, severally and not jointly, up to the Additional Shares, at the Purchase Price less an amount per share equal to any dividends or distributions declared by the Company and payable on the Firm Shares but not payable on the Additional Shares. The Representatives may exercise this right on behalf of the Underwriters in whole or from time to time in part by giving written notice not later than 30 days after the date of this Agreement. Any exercise notice shall specify the number of Additional Shares to be purchased by the Underwriters and the date on which such shares are to be purchased. Each purchase date must be at least one business day after the written notice is given and may not be earlier than the closing date for the Firm Shares or later than ten business days after the date of such notice. On each day, if any, that Additional Shares are to be purchased (each, an "**Option Closing Date**"), each Underwriter agrees, severally and not jointly, to purchase the number of Additional Shares (subject to such adjustments to eliminate fractional shares as the Representatives may determine) that bears the same proportion to the total number of Additional Shares to be purchased on such Option Closing Date as the number of Firm Shares set forth in Schedule I hereto opposite the name of such Underwriter bears to the total number of Firm Shares.

3. *Terms of Public Offering.* The Company is advised by the Representatives that the Underwriters propose to make a public offering of their respective portions of the Shares as soon after this Agreement has become effective as in the Representatives' judgment is advisable. The Company is further advised by the Representatives that the Shares are to be offered to the public

initially at \$10.70 per share (the “**Public Offering Price**”) and to certain dealers selected by the Representatives at a price that represents a concession not in excess of \$0.29 per share under the Public Offering Price, and that any Underwriter may allow, and such dealers may reallow a concession, not in excess of \$0.10 per share, to any Underwriter or to certain other dealers.

4. *Payment and Delivery.* Payment for the Firm Shares to be sold by the Company shall be made to the Company in Federal or other funds immediately available in Washington, D.C. against delivery of such Firm Shares for the respective accounts of the several Underwriters at 10:00 a.m., Eastern Time, on December 9, 2015, or at such other time on the same or such other date as shall be designated in writing by the Representatives. The time and date of such payment are referred to in this Agreement as the “**Closing Date.**”

Payment for any Additional Shares shall be made to the Company in Federal or other funds immediately available in Washington, D.C. against delivery of such Additional Shares for the respective accounts of the several Underwriters at 10:00 a.m., Eastern Time, on the date specified in the corresponding notice described in Section 2 hereof or at such other time on the same or on such other date, in any event not later than January 8, 2016, as shall be designated in writing by the Representatives.

The Firm Shares and Additional Shares shall be registered in such names and in such denominations as the Representatives shall request in writing not later than one full business day prior to the Closing Date or the applicable Option Closing Date, as the case may be. The Firm Shares and Additional Shares shall be delivered to the Representatives on the Closing Date or an Option Closing Date, as the case may be, for the respective accounts of the several Underwriters, with any transfer taxes payable in connection with the transfer of the Shares to the Underwriters duly paid, against payment of the Purchase Price therefor.

5. *Conditions to the Underwriters’ Obligations.* The several obligations of the Underwriters are subject to the condition that all representations and warranties on the part of the Transaction Entities contained in this Agreement or in certificates of any officer of the Company or the general partner of the Operating Partnership delivered pursuant to the provisions hereof are, on the date hereof, on the Closing Date and on each Option Closing Date, if any, true and correct, the condition that each of the Transaction Entities has performed its respective covenants and obligations required to be performed prior to the Closing Date and each Option Closing Date, if any, and the following further conditions:

(a) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date and each Option Closing Date, if any:

makes it, in the Representatives' judgment, impracticable or inadvisable to offer or sell the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus (a "**Material Adverse Change**");

(iii) except as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus, neither of the Transaction Entities nor the Subsidiaries has incurred any liabilities or obligations, direct or contingent (including off-balance sheet obligations), or entered into any transactions that are material to the Transaction Entities or their respective Subsidiaries, taken as a whole;

(iv) except as described in the Registration Statement, the Time of Sale Prospectus and the Prospectus, neither of the Transaction Entities has purchased any class of the Company's outstanding capital stock or any OP Units, or declared, paid or otherwise made any dividend or distribution of any kind on any class of its capital stock (in the case of the Company), OP Units (in the case of the Operating Partnership), or other form of ownership interests, as applicable; and

(v) there has not been any material change in the capital stock, short-term debt or long-term debt of the Transaction Entities or the Subsidiaries, except in each case as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(b) The Underwriters shall have received on the Closing Date and each Option Closing Date, if any, a certificate, dated the Closing Date or such Option Closing Date, as the case may be, and signed by the President and Chief Executive Officer of the Company and the Chief Financial Officer of the Company, to the effect that there has been no Material Adverse Change and that the representations and warranties of the Transaction Entities contained in this Agreement are true and correct as of the Closing Date or such Option Closing Date, as the case may be, as through expressly made on the Closing Date or the Option Closing Date, as the case may be, that each of the Transaction Entities has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied hereunder on or before the Closing Date or such Option Closing Date, as the case may be, and as to such other matters as the Representatives may reasonably request, and that no proceedings or examination to suspend the effectiveness of the Registration Statement have been instituted or, to the knowledge of such officers, threatened.

(c) The Underwriters shall have received on the Closing Date and each Option Closing Date, if any, an opinion of Morrison & Foerster LLP, outside counsel for the Transaction Entities, dated the Closing Date or such Option Closing Date, as the case may be, substantially in the form set forth in Exhibit A-1 hereto, and the negative assurance letter of Morrison & Foerster LLP dated the Closing Date or such Option Closing Date, as the case may be, substantially in the form set forth in Exhibit A-2 hereto. In rendering such opinion, Morrison & Foerster LLP, may rely as to matters of fact (but not as to legal conclusions), to the extent they deem proper, on certificates of responsible officers of the Company, the Operating Partnership and the Subsidiaries and of public officials. The opinion of Morrison & Foerster LLP shall be rendered to the Underwriters at the request of the Company and shall so state therein.

(d) The Underwriters shall have received on the Closing Date or the Option Closing Date, if any, an opinion of Morrison & Foerster LLP, tax counsel for the Transaction Entities, dated the Closing Date or such Option Closing Date, as the case may be, substantially in the form set forth in Exhibit B hereto.

(f) The Underwriters shall have received, on each of the date hereof, the Closing Date and each Option Closing Date, if any, a letter dated the date hereof, the Closing Date or the Option Closing Date, as the case may be, in form and substance satisfactory to the Underwriters, from Ernst & Young LLP, independent public accountants, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in or incorporated by reference into the Registration Statement, the Time of Sale Prospectus and the Prospectus; provided that the letter delivered by Ernst & Young LLP on the Closing Date, which shall reaffirm the statements made in the letter delivered by Ernst & Young LLP on the date hereof, shall use a "cut-off date" not earlier than the date hereof.

(g) The Registration Statement has become effective. No stop order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus shall have been issued, and no proceedings for such purpose shall have been instituted or threatened by the Commission; no notice of objection of the Commission to the use of the Registration Statement shall have been received; and all requests for additional information on the part of the Commission shall have been complied with to the satisfaction of counsel to the Underwriters. The Preliminary Prospectus and the Prospectus containing the information that was omitted from the Registration Statement at the time it became effective but that is deemed, pursuant to Rule 430B under the Securities Act, to be part of such Registration Statement at the time it became effective shall have been filed with the Commission in the manner and within the time frame required by Rule 424(b) without reliance on Rule 424(b)(8) or a post-effective amendment providing such information shall have been filed with, and declared effective by, the Commission in accordance with the requirements of Rule 430B.

(h) The "lock-up" agreements, each substantially in the form of Exhibit C hereto, between Raymond James and certain officers and directors of the Company, each of whom is listed on Schedule III hereto, relating to sales and certain other dispositions of shares of Common Stock or certain other securities, delivered to Raymond James on or before the date hereof, shall be in full force and effect on the Closing Date.

(k) No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date and each Option Closing Date, if any, prevent the issuance or sale of the Shares. No injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date and each Option Closing Date, if any, prevent the issuance or sale of the Shares.

The several obligations of the Underwriters to purchase Additional Shares hereunder are subject to the delivery to the Representatives on the applicable Option Closing Date of such documents as the Representatives may reasonably request, including certificates of officers of the Transaction Entities, legal opinions and an accountants' comfort letter, and other matters related to the issuance of such Additional Shares.

6. *Covenants of the Transaction Entities.* Each of the Transaction Entities, jointly and severally, covenant with each Underwriter as follows:

(a) Upon the request of the Representatives, to furnish to the Representatives, without charge, three signed copies of the Registration Statement (including exhibits thereto) and for delivery to each other Underwriter a conformed copy of the Registration Statement (without exhibits thereto) and to furnish to the Representatives in St. Petersburg, Florida, without charge, prior to 10:00 a.m. Eastern Time on the business day next succeeding the date of this Agreement and during the period mentioned in Section 6(f) or 6(g) below, as many copies of the Time of Sale Prospectus, the Prospectus and any supplements and amendments thereto or to the Registration Statement as the Representatives may request. The copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be substantially identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(b) Before amending or supplementing the Registration Statement, the Time of Sale Prospectus or the Prospectus, to furnish to the Representatives a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which the Representatives object, and to file with the Commission within the applicable period specified in Rule 424(b) under the Securities Act any prospectus required to be filed pursuant to such Rule. To furnish to the Representatives a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed free writing prospectus to which the Representatives reasonably object.

(c) Not to take any action that would result in an Underwriter or the Company being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Underwriter that the Underwriter otherwise would not have been required to file thereunder.

(d) To advise the Representatives promptly (i) of any request by the Commission for amendments or supplements to the Registration Statement, the Preliminary Prospectus or the Prospectus or for additional information with respect thereto, (ii) when any post-effective amendment to the Registration Statement shall become effective, or any amendment or supplement to the Prospectus shall have been filed, (iii) of the receipt of any comments from the Commission, (iv) if the Company becomes the subject of a proceeding under Section 8A of the Securities Act in connection with the offering of the Shares, or (v) of notice of institution of proceedings for, or the entry of a stop order, suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus; and if the Commission should enter such a stop order, to use its best efforts to obtain the lifting or removal of such order as soon as possible.

(e) If the Time of Sale Prospectus is being used to solicit offers to buy the Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus in order to make the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Time of Sale Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to any dealer upon request, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not, in the light of the circumstances when delivered to a prospective purchaser, be misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law.

(f) If, during such period after the first date of the public offering of the Shares as in the opinion of counsel for the Underwriters the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) under the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) under the Securities Act) is delivered to a purchaser, not misleading, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses the Representatives will furnish to the Company) to which Shares may have been sold by the Representatives on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) under the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law.

(g) If, at or after the time this Agreement is executed and delivered, it is necessary or appropriate for a post-effective amendment to the Registration Statement, or a Rule 462 Registration Statement, to be filed with the Commission and become effective before the Shares may be sold, the Company will use its best efforts to cause such post-effective amendment or such Registration Statement to be filed and become effective, and will pay any applicable fees in accordance with the Securities Act, as soon as possible; and the Company will advise the Representatives promptly and, if requested by the Representatives, will confirm such advice in writing, (i) when such post-effective amendment or such Registration Statement has become effective, and (ii) if Rule 430B under the Securities Act is used, when the Prospectus is filed with the Commission pursuant to Rule 424(b) under the Securities Act (which the Company agrees to file in a timely manner in accordance with such Rules).

(h) To file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and for so long as the delivery of a prospectus (or, in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required in connection with the offering or sale of the Shares.

(i) Promptly to furnish such information or to take such action as the Representatives may reasonably request and otherwise to qualify the Shares for offer and sale under the securities or "blue sky" laws of such jurisdictions as the Representatives shall reasonably request, and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Shares; provided, however, that the Company shall not be required to qualify as a foreign corporation or to file a consent to service of process in any jurisdiction (excluding service of process with respect to the offering and sale of the Shares); and to promptly advise the Representatives of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for offer or sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose.

(j) To make generally available to the Company's security holders and to the Representatives as soon as practicable an earnings statement covering a period of at least twelve months beginning after the effective date of the Registration Statement (as defined in Rule 158(c) under the Securities Act), which shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

(k) To use its best efforts to maintain the listing of the Shares on the NYSE.

(l) During the period beginning on the date of the Underwriting Agreement and continuing to and including 60 days after the date of the Prospectus, and without the prior written consent of the Representatives with the authorization to release the lock-up letter on behalf of the Underwriters, not to (i) issue, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or

any securities (including OP Units) convertible into or exercisable or exchangeable for Common Stock, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether such transaction described in clause (i) or (ii) above is to be settled by delivery of the Common Stock or such other securities, in cash or otherwise, (iii) file any registration statement with the Commission relating to the offering of any shares of Common Stock or any securities (including OP Units) convertible into or exercisable or exchangeable for Common Stock, or (iv) publicly announce an intention to effect any transaction specified in clause (i), (ii) or (iii) above. Notwithstanding the foregoing, the Company may file a registration statement on Form S-8 registering shares of Common Stock that may be issued pursuant to the Company's 2013 Equity Incentive Plan at any time following the date of the Underwriting Agreement without obtaining the consent of the Representatives. The restrictions contained in this subsection shall not apply to (i) the Shares to be sold hereunder, (ii) the grant of options to purchase shares of Common Stock or the issuance of other awards pursuant to the Company's equity incentive plans under the terms of such plans in effect on the date hereof, provided any options are granted at fair market value and in amounts and with exercise terms consistent with the Company's past practice, (iii) the issuance by the Company of shares of Common Stock upon the exercise of an option or warrant or the conversion of a security outstanding on the date of the Underwriting Agreement of which the Representatives have been advised in writing, (iv) the issuance of OP Units in connection the acquisition of additional properties or (v) the issuance of shares of Common Stock upon redemption of OP Units in accordance with the Operating Partnership Agreement.

(m) To prepare, if the Representatives so request, a final term sheet relating to the offering of the Shares, containing only information that describes the final terms of the Shares or the offering in a form consented to by the Representatives, and to file such final term sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date the final terms have been established for the offering of the Shares.

(n) To comply with Rule 433(d) under the Securities Act (without reliance on Rule 164(b) under the Securities Act) and with Rule 433(g) under the Securities Act.

(o) Not to take, directly or indirectly, any action designed, or which will constitute, or has constituted, or might reasonably be expected to cause or result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares.

(p) Not, at any time at or after the execution of this Agreement, to offer or sell any of the Shares by means of any "prospectus" (within the meaning of the Securities Act) or use any "prospectus" (within the meaning of the Securities Act) in connection with the offering or sale of the Shares, except in each case other than the Prospectus.

(q) To maintain a transfer agent and, if necessary under the jurisdiction of incorporation of the Company, a registrar for the Common Stock.

(r) To apply the net proceeds to the Company from the sale of the Shares in the manner set forth under the caption "Use of Proceeds" in the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(s) The Company will promptly notify the Representatives if the Company ceases to be an Emerging Growth Company at any time prior to the later of (a) the time when a prospectus relating to the Shares is not required by the Securities Act to be delivered (whether physically or through compliance with Rule 172 under the Securities Act or any similar rule) and (b) the expiration of the lock-up period described in Section 6(l) above.

(t) The Company will use its best efforts to maintain its qualification and election to be taxed as a REIT under the Code for its taxable year ending December 31, 2015 and thereafter and will use its best efforts to continue to qualify for taxation as a REIT under the Code unless the board of directors of the Company determines that it is no longer in the best interests of the Company to qualify as a REIT.

(u) Each of the Transaction Entities will comply in all material respects with all applicable provisions of the Sarbanes-Oxley Act that are then in effect.

7. *Expenses.* Whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, each of the Transaction Entities, jointly and severally, agrees to pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company's and the Operating Partnership's counsel and the Company's and the Operating Partnership's accountants in connection with the registration and delivery of the Shares under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any Preliminary Prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including all printing costs associated therewith, and the mailing and delivering of copies thereof to the Underwriters and dealers, in the quantities hereinabove specified, (ii) all costs and expenses related to the transfer and delivery of the Shares to the Underwriters, including any transfer or other taxes payable thereon, (iii) the cost of printing or producing any securities or blue sky memorandum in connection with the offering and sale of the Shares under the securities laws of the jurisdictions in which the Shares may be offered or sold and all expenses in connection with the qualification of the Shares for offer and sale under such securities laws as provided in Section 6(i) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky or Legal Investment memorandum not to exceed \$10,000, (iv) all filing fees and the reasonable fees and disbursements of counsel to the Underwriters, which shall not exceed \$10,000, incurred in connection with the review and qualification of the offering of the Shares by FINRA, (v) all costs and expenses incident to listing the Shares on the NYSE, (vi) the cost of printing certificates representing the Shares, (vii) the costs and charges of any transfer agent, registrar or depository, (viii) the costs and expenses of the Company relating to investor presentations on any "road show" undertaken in connection with the marketing of the offering of the Shares, including, without limitation, expenses associated with the preparation or dissemination of any road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the prior approval of the Company, travel and lodging expenses of the officers and other representatives of the Company and any such consultants, and the Company's proportionate share of the cost of any aircraft chartered in connection with the road show, (ix) the document production charges and expenses associated

The Underwriters will pay all of their costs and expenses, including fees and disbursements of their counsel, stock transfer taxes payable on resale of any of the Shares by them and any advertising expenses connected with any offers they may make. Notwithstanding the above, if the sale of the Shares provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 5 is not satisfied, because of any termination of this Agreement by the Underwriters pursuant to Section 9 hereof or because of any refusal, inability or failure on the part of the Company or the Operating Partnership to perform any obligation or covenant hereunder or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Transaction Entities will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, through the Representatives on demand for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) reasonably incurred by such Underwriters in connection with this Agreement or the offering contemplated hereby.

The provisions of this Section shall not supersede or otherwise affect any agreement that the Sellers may otherwise have for the allocation of such expenses among themselves.

8. Indemnity and Contribution. (a) Each of the Transaction Entities, jointly and severally, agrees to indemnify and hold harmless each Underwriter, each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each affiliate of any Underwriter within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by, arising out of or based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, the Time of Sale Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any issuer information that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act, any road show not constituting a free writing prospectus, or the Prospectus or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances in which there were made, not misleading; provided, however, that the Transaction Entities shall not be liable under this Section 8(a) to the extent that such losses, claims, damages or liabilities are caused by, arise out of or are based upon any such untrue statement or omission or alleged untrue statement or omission made therein in reliance upon and in conformity with the Underwriter Information. The foregoing indemnity agreement is in addition to any liability which the Company or the Operating Partnership may otherwise have to any Underwriter or to its selling agents or each person, if any, who controls any Underwriter.

(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Transaction Entities, their respective directors, their respective officers who sign the Registration Statement and each person, if any, who controls the Company or the Operating Partnership within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by, arising from or based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, the Time of Sale Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any issuer information that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act, any road show not constituting a free writing prospectus, or the Prospectus or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances in which there were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or omission or alleged untrue statement or omission was made therein in reliance upon and in conformity with information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being agreed that the only information furnished by the Underwriters to the Company expressly for use therein is the Underwriter Information.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b) such person (the “**indemnified party**”) shall promptly notify the person against whom such indemnity may be sought (the “**indemnifying party**”) in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (i) the fees and expenses of more than one separate firm (in addition to any local counsel) for all Underwriters and all persons, if any, who control any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act or who are affiliates of any Underwriter within the meaning of Rule 405 under the Securities Act, and (ii) the fees and expenses of more than

one separate firm (in addition to any local counsel) for the Company, the Operating Partnership, their respective directors, their respective officers who sign the Registration Statement and each person, if any, who controls the Company or the Operating Partnership within the meaning of either such Section, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Underwriters and such control persons and affiliates of any Underwriters, such firm shall be designated in writing by the Representatives. In the case of any such separate firm for the Company, the Operating Partnership and such directors, officers and control persons of the Company or the Operating Partnership, such firm shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) To the extent the indemnification provided for in Section 8(a) or Section 8(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the Shares or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Transaction Entities on the one hand and the Underwriters on the other hand in connection with the offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Shares (before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate Public Offering Price of the Shares. The relative fault of the Transaction Entities on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent,

knowledge, access to information and opportunity to correct or prevent such statement or omission. The Underwriters' respective obligations to contribute pursuant to this Section 8 are several in proportion to the respective number of Shares they have purchased hereunder, and not joint.

(e) The Transaction Entities and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 8(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 8 and the representations, warranties and other statements of each of the Transaction Entities contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter, any person controlling any Underwriter or any affiliate of any Underwriter or by or on behalf of the Transaction Entities, their respective officers, their respective directors or any person controlling the Company or the Operating Partnership and (iii) acceptance of and payment for any of the Shares.

9. *Termination.* The Underwriters may terminate this Agreement by notice given by the Representatives to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (a) trading generally shall have been suspended or materially limited or minimum prices shall have been established on, or by, as the case may be, any of the NYSE, the NYSE MKT or the NASDAQ Global Market, (b) trading of any securities of the Company shall have been suspended or materially limited on any exchange or in any over-the-counter market, (c) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (d) any moratorium or material limitation on commercial banking activities shall have been declared by Federal or New York state authorities, (e) there shall have occurred any outbreak or escalation of hostilities, act of terrorism involving the United States or declaration by the United States of a national emergency or war, or (f) any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (e) or (f), makes it, in the Representatives' judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus (exclusive of any supplement thereto).

10. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

If, on the Closing Date or an Option Closing Date, as the case may be, any one or more of the Underwriters shall fail or refuse to purchase Shares that it has or they have agreed to purchase hereunder on such date, and the aggregate number of Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the Shares to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the number of Firm Shares set forth opposite their respective names in Schedule I bears to the aggregate number of Firm Shares set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Representatives may specify, to purchase the Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date; *provided* that in no event shall the number of Shares that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 10 by an amount in excess of one-ninth of such number of Shares without the written consent of such Underwriter. If, on the Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Firm Shares and the aggregate number of Firm Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Firm Shares to be purchased on such date, and arrangements satisfactory to the Representatives and the Company for the purchase of such Firm Shares are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter, the Company or the Operating Partnership, except that the Company will continue to be liable for the payment of expenses to the extent set forth in Section 7. In any such case either the Representatives or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. If, on an Option Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Additional Shares and the aggregate number of Additional Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Additional Shares to be purchased on such Option Closing Date, the non-defaulting Underwriters shall have the option to (i) terminate their obligation hereunder to purchase the Additional Shares to be sold on such Option Closing Date or (ii) purchase not less than the number of Additional Shares that such non-defaulting Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

11. *Representations and Indemnities to Survive.* The respective agreements, representations, warranties, indemnities and other statements of the Transaction Entities and the Underwriters set forth or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or the Operating Partnership or any of the officers, directors, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Shares. The provisions of Sections 7 and 8 hereof shall survive the termination or cancellation of this Agreement.

12. *Entire Agreement.* (a) This Agreement represents the entire agreement between the Transaction Entities, on the one hand, and the Underwriters, on the other, with respect to the preparation of any Preliminary Prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Shares.

(b) The Transaction Entities acknowledge that in connection with the offering of the Shares: (i) the Underwriters have acted at arm's length, are not agents of, and owe no fiduciary duties to, the Transaction Entities or any other person; (ii) the Underwriters owe the Transaction Entities only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any; and (iii) the Underwriters may have interests that differ from those of the Transaction Entities. The Transaction Entities waive to the full extent permitted by applicable law any claims they may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.

13. *Counterparts.* This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

14. *Applicable Law; Consent to Jurisdiction; Trial By Jury.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without reference to its conflict of law provisions (other than Section 5-1401 of the General Obligations law). Each party hereto hereby irrevocably agrees, accepts and submits itself to the exclusive jurisdiction of the courts of the State of New York in the City and County of New York and of the United States for the Southern District of New York, in connection with any legal action, suit or proceeding with respect to any matter relating to or arising out of or in connection with this Agreement. Each of the parties to this Agreement agrees that a final action in any such suit or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other lawful manner. Each of the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates) and each other party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

15. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

16. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriters shall be delivered, mailed or sent to the Representatives at:

Re: Public Offering of Common Stock

Ladies and Gentlemen:

We are acting as counsel to Armada Hoffler Properties, Inc. a Maryland corporation (the “**Company**”), in connection with the public offering of up to 3,450,000 shares of common stock, \$0.01 par value per share (the “**Shares**”), of the Company, all of which Shares are to be sold by the Company pursuant to a prospectus supplement dated December 4, 2015 and the accompanying base prospectus dated June 11, 2014 (such documents, collectively, the “**Prospectus**”) that form part of the Company’s effective Registration Statement on Form S-3 (File No. 333-196473) (the “**Registration Statement**”), filed by the Company with the United States Securities and Exchange Commission (the “**Commission**”) under the Securities Act of 1933, as amended (the “**Securities Act**”).

As counsel for the Company, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary for the purposes of rendering this opinion and we are familiar with the proceedings taken and proposed to be taken by the Company in connection with the authorization, issuance and sale of the Shares. In our examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with the originals of all documents submitted to us as copies. We also have assumed that the Shares will not be issued in violation of the ownership limit contained in the Company’s Articles of Amendment and Restatement.
